

The WSPTA Outstanding Advocate Award was established in 2004 to recognize an individual for his or her statewide advocacy and commitment in helping to create strong policies relating to the health, welfare, safety and education of children and youth. The individual should have furthered WSPTA's policy positions (legislative principles, resolutions, and legislative issues) by activities such as, but not limited to, submitting policy positions, testifying on policy positions on behalf of WSPTA, or representing WSPTA on workgroups or coalitions.
